

Memo to file: Misc.

In response to a citizen complaint, Gene Pabst and Bob Corson contacted a Bell Telephon employee in the new subdivision south of Walnut Lawn and Virginia Ave. On June 27, 1974 at approx. 8:30 A.M. the Telephone employee witnessed an Ada-John truck pulled into the field and unloaded. He then used the fire hydrant adjacent to wash out the truck. Pictures of the area were taken.

Robert Corson  
Water Pollution Control Inspector
